

Says

What have we heard them say?
What can we imagine them saying?

I heard him say,is correct.You in the past,but during that past time he was saying it in the present.

I dont have access to specific conversations or information about what you or others have heard people.

I saw him given an envelope to the women. this is the same construction.

Thinks

What are their wants, needs, hopes, and dreams?
What other thoughts might influence their behavior?

I hope that my children will live the legacy of my parents as what i am living today.

Our thoughts create our feelings and our feelings drive our behavior.

They are influenced by factors such as culture.Upbringing ,personal experience,and individual personality.

I apologize but i dont have access to information about your specific observation.

The result of something called "Mental workplace", a neural network that coordinates activity across multiple regions of the brain.

If you have any questions or personal information on a particular topic, please feel free to ask.

Many people fera what they don't understand or can't predict.

People can become frustrated when they face obstacles or difficulties in achieving the goal.

Concerns about money,debt,or job security can be a source of stress.

Does

What behavior have we observed?
What can we imagine them doing?

Feels

What are their fears, frustrations, and anxieties?
What other feelings might influence their behavior?
